A NOTE FROM KATHY

Greetings –

The majority of responses to the Futurity/Maturity site survey wanted the 2020 Futurity/Maturity competition held east of the Mississippi since that was the original location. This is not surprising and is much like the majority of the 2021 Futurity/Maturity entrants who wanted their event to remain at its original location on the West Coast. Considerable concern was expressed about the survey's two indoor options, Orlando in December 2020 and New York in 2021. Respondents felt these locations were risky due to the strong possibility that COVID-19 restrictions will remain in place at these times. The respondents asked ESAA to consider a venue east of the Mississippi, held preferably at an outdoor site during the spring or summer of 2021.

In an effort to respect the wishes of the majority of the 2020 Futurity/Maturity entrants, the Board voted to relocate the 2020 Futurity and Maturity to an ESAA regional specialty held in conjunction with a regional club specialty east of the Mississippi with preferably an outdoor venue in 2021. Regional clubs with specialties fitting these criteria may request approval to hold an ESAA regional specialty that will include the 2020 Futurity/Maturity. If multiple clubs request approval, the Board will discuss the options and select a proposal. If no club requests approval, the 2020 Futurity and Maturity will be held at the 2021 ESAA National Specialty in Seattle.
