

March/April 2022 Issue

A NOTE FROM KATHY

Springtime greetings,

Sadly, word came this week of the passing of Barbara Oakes of Five Oakes English Setters. Penny DiSiena provided the following –

“Barbara Oakes was Five Oakes English Setters. She had been in the breed since the 1960’s. She was an English Setter person who learned from the best New England had to offer. She bred and owned many National and Regional Specialty winners and won BOB at Westminster in the 70’s with Dick Fox showing her girl. She was always supportive and a true sportsman to Everyone. She lived in Lake Pleasant New York, which is in the Adirondack region, moving there from the central New York area with her husband Chandler and her 3 children. They together were the Five Oakes. Everyone was involved in the dogs, hunting and showing. Their compound was a great place to visit, talk dogs and see all the wildlife that region had to offer. She was so open with her knowledge and taught me so much. She will be missed, as a truly great human being, one our breed should be honored to call one of us.”

Nominations for ESAA Officers for the next two years, 2022 – 2024, are closed and ballots will be sent to the membership soon. I would like to thank those who nominated me for a third term as President. I appreciate your confidence in me however, I will not be seeking a third term. I believe in term limits and also believe new blood brings new perspective. Everyone who runs for President of an organization runs with a “bucket list” of goals they would like to achieve. When you receive your ballot, read the bios carefully to see if the candidates’ goals match up with yours. Also, consider their history with ESAA and their ability to follow through with tasks and commitments. Remember, this is not a popularity contest – in many ways the future of ESAA rests largely on the officers we elect to represent us.

Until next time....

Kathy

Purina Parent Club Partner Program Donations  
The Purina Parent Club Partner Program donations have been down since Purina required receipts for participation. Many members who use auto-delivery programs like Chewy and Amazon do not know how to submit their orders for credit to the PPCPP. I contacted Purina for information and wanted to share it with all of our ESAA members who might be feeding Purina products. If you are not already a part of the program please consider signing up. For every \$100 sold to participating members, the parent club receives \$10 toward health research.

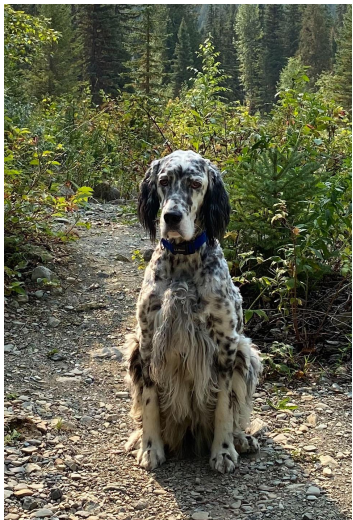

I had success when following their instructions for my Chewy order. Below is the information on how to participate in the program for those who have auto-delivery:

Please sign into your account via our website, click on Submit Receipt and scroll down. There you will see RECEIPT UPLOAD TIPS which state: 'For online purchases, we need the invoice or receipt that shows items have shipped, NOT just the email confirmation of the order'. If you still have questions about the receipt

submission process you should click on View FAQs which will help with uploading receipts correctly.
