A NOTE FROM KATHY

Hello everyone,

I sit here with mixed emotions writing my final ESAA President's message. I have been honored to serve as your President for the past 4 years and for the 16 years prior to that as NE Regional VP and then VP-at-large. I began my tenure as President with a bucket list of objectives, all but one was accomplished. If asked, I would say that getting our ESAA National Field Championship back on track was the TOP objective achieved on my list. We now have a very talented Field Trial Committee overseeing our ESAA National Field Championship and other "regional" Field Trials that provided the opportunity for THREE additional English Setters to achieve their Dual Championships to date.

As I mentioned in my last President's message, an organization moves forward with new objectives from new leadership. I know for a fact that our new ESAA President, Suzie Kerwin Bush has been reaching out to ESAA's membership to compile her own bucket list of objectives. Knowing Suzie as I do, I am confident she will do everything in her power to achieve those objectives.

A NOTE FROM SUSIE

Hello Setter Friends:

As my first President's message, I'd like to thank Kathy Cunningham for leading ESAA over the last four years. Her hard work is appreciated.

Thank you for your support and entrusting me to lead ESAA into the future. I am passionate about our organization and our breed. I look forward to working with all of you.

I am grateful to all who are serving on a committee. I believe we have very talented, creative and hard-working volunteers in our group. Next time you see them, please say "Thank you". I am grateful for all of our members who engage in our organization in some way. Please contact me or your local board member if you would like to volunteer. We can always use your help.

Our regional clubs have been hosting some wonderful Specialties! I see quite a few of you have been able to attend and I've heard nothing but positive feedback. Great job everyone! Club secretaries – please be sure to send your specialty information in January to Coleen Raber, so that it can be added to our website and FB page. One of my initiatives is to enhance communications to and from our membership, on all fronts.

2022 Misty Mondok Myers Memorial Academic Scholarship Recipient

Jessica Braatz

05/09/2022

Nine years ago, I grasped a leather lead in my hand for the first time. Young and eager, I took a few steps, surprised when the dog to my left easily

trotted beside. I beamed and giggled, thrilled with the connection I was establishing with this marvelous creature. Growing up, I was always hesitant and distanced from dogs. I spent my time buried in my classwork, Tae Kwon Do, and tennis. When I was nine, however, my whole world changed when a new neighbor moved in, a pack of Chesapeake Bay and Labrador Retrievers in tow. She asked me one day to help her move a dog, and I have never looked back.

Since then, I have dived head first into dog sports. I bred my first litter of Chessies in 2015 and fell in love with the breed. In 2019, I got my English Setter as I was determined to learn how to trim.

While there are always opportunities to learn to maintain coat at a dog show, there is no experience like doing it yourself. I have always been determined to grasp the most I can from every opportunity which has led to me working for some amazing handlers throughout the years. I have now worked with dogs from every group and been a part of some amazing and successful teams including, most recently, Phil and Amy Booth of BlueRose Kennels.
